Learn about the role of a Field Guide from one of our founders, Dr. Brad Reedy:

Would you like to work 8 days on with 6 days off, giving you more time to adventure and live your life? THEN THIS IS THE JOB FOR YOU!

Located in beautiful Southern Utah, Field Instructors role-model healthy expression of emotion and appropriate behavior, as well as lead by example and share their passion for healthy living and the wilderness. They teach backpacking skills, low-impact camping ethics, yoga, mindfulness practices, and facilitate team building activities and group therapy. They are guides, teachers, role-models and constant support to the teens, young adults, and families with whom they work.
